

***Horsense** camp will take place mostly outdoors, as with any outdoor activity, sometimes children may trip or fall and may get scrapes, bumps or bruises, insect bites or bee stings. Please initial below to reflect your preference regarding 1st aid treatment: [FYI Treatment would consist mostly of the following homeopathic remedies– i.e. Arnica orally &/or topically (to prevent bruising), rescue remedy (orally or topically for upset related to incident), hydrogen peroxide (for scrapes), Weleda wound relief ointment, or for insect stings/bites Apis homeopathy (orally) & PRID topically].

_____ I authorize Amanda Dumenigo to administer 1st aid treatment if she deems it necessary for my child.

_____ I do NOT authorize anyone to administer any 1st aid treatment. I prefer to be called immediately to pick-up my child for the day.

*Vitamin D is important to our children’s health. Some parents choose not to use sun block. If you do use sun protection, we ask that *you* administer it prior to arriving to camp. However, if sunburn is imminent or apparent, please select how you prefer that we address it:

_____ I authorize Amanda Dumenigo to use organic sun block on my child if she deems it necessary.

_____ I do NOT authorize the application of sun-block on my child.

*We will take pictures throughout the **Horsense** camps– one photo may be incorporated into one of your child’s daily art project. Occasionally, however, I may use images taken during past events for website, promotion of upcoming events, flyers, etc.

_____ **Horsense** has my permission to use images of my child taken during camp for promotional material.

_____ I do NOT authorize Horsense to use any image for promotional material.
